As representatives of Wakeland High School and the choir department, we want to always make a great impression. There are some guidelines that your child will be expected to understand and obey. We will be on an extended field trip; therefore, all rules and policies of the Frisco ISD, Wakeland High School and the choir department are in effect for the entire trip.

Any violation of the trip policies or student behavior that compromises the safety of students and/or sponsors may result in the student remaining with a sponsor for the rest of the trip, removal from the Wakeland High School Choir program, the student being sent home at parent expense, the parent traveling to San Antonio to pick up their child, implementation of the FISD discipline plan, and if necessary, involvement of local law enforcement.

1. **All prescription medications must be presented in the original pharmacy packaging with the label included.** Any prescription medications will be held by the student's sponsor and dispensed as indicated on the pharmacy label.
2. **No over the counter medication will be dispensed to any child by a director or chaperone.** We recommend that you do not send excessive over the counter medications with your child.
3. **Any room charges or damage to hotel will be paid at student/parent expense. Do not charge anything to the room.** The student's room captain will inspect the hotel room for any damages upon arrival. This will be given in writing to the director. Upon checkout, the rooms will be inspected by the chaperones for damages.
4. **All clothing worn during the trip must meet Frisco ISD dress code guidelines.** Dress comfortably; however, clothing must be appropriate as determined by the FISD dress code. Swimsuits must be appropriate for a school trip. Two pieces are allowed. If you are wondering whether a particular swimsuit or article of clothing is allowable, that is your signal to leave it at home. No revealing shorts, shirts, etc. The ladies enjoy dressing up for our evening dinner. However, the dress must meet school dress code. This has been a problem in the past and I will not hesitate to require you to change. The director's decisions are final.

5. **All students are expected to be in their rooms at the designated curfew. Once in the room for curfew, the students may not open the door or leave for any reason.**
6. **Girls are not allowed in boys' rooms and boys are not allowed in girls' rooms or leaning in the doorways at any time. DON'T ASK.** There will be common areas in which to visit.
7. **Treat each other with respect at all times.** Fatigue can be an enemy. Do not put the director or sponsors in the position of being a referee.
8. **Abusive behavior towards others will not be tolerated.** This includes pictures, texting and any form of social media. The victim may not think the pictures you took as funny as you do...Your parents and assistant principal will be notified. Keep personal and social media issues away from the choirs.
9. **Everyone is expected to stay with the group. DO NOT, UNDER ANY CIRCUMSTANCES, GO ANYWHERE ON YOUR OWN!**
10. **Before you go swimming, you must choose a buddy. Stay with your buddy.** Make sure you can see him/her at all times when swimming. Report any swimming issues to a chaperone immediately.
11. **There is absolutely no tolerance for possession, or participation in, the use of tobacco products, alcohol, illegal drugs, any controlled substances, weapons or pornography.** Make good choices. If an item is not allowed at school, then don't bring it on the trip.
12. **Any student who observes any of the behaviors in #11, and does not report them to the director immediately, may be subject to disciplinary action.**
13. **Directors or trip sponsors cannot handle any problems that involve local law enforcement. LEGAL PROBLEMS WILL REQUIRE YOUR PARENT OR GUARDIAN TO COME TO SAN ANTONIO AT THEIR EXPENSE.**
14. **Your luggage, room, and personal items may be inspected at any time.**
15. **Instructions from adults must be followed immediately and without question.** A good attitude is always to your advantage.
16. **Do not bring an excessive amount of money on the trip.** We recommend that you bring no more than \$100 -\$150. Please keep close track of your wallet or purse. Do not flash money around in public. Remember to leave room in your luggage for anything you buy on the trip.
17. **Do not bring expensive items on the trip.** We have no secure storage for these items.
18. **Do not walk around alone while sightseeing or at any other time.** Stay in a group.
19. **Don't share itinerary, room or hotel information with non-Wakeland people.**
20. **Be prompt.** It is not fair to keep the entire group waiting on you. If it becomes a problem, you will be assigned a seat in the front by a chaperone.
21. **Conduct yourselves as ladies and gentlemen at all times.**
22. **Blankets may not be shared on the bus.** At no time should there be more than one student using/under a blanket. Please do not create an embarrassing situation. This will be enforced.
23. **Under no circumstances will students be allowed to leave the group to visit with any outside family or visitors at alternate locations.** Family members and family friends are welcome to attend the performance. However, students will not be able to receive visitors at any other time on the trip.
